

RACE FOR LIFE

24th April 2023

Dear Parents and Carers,

We are pleased to inform you that, following previous year's successful events which have raised £6101, we will be supporting the fabulous charity, Cancer Research UK again, by completing a Race for Life in school on **Friday 19th May**.

During the day your child will complete the Race for Life with their class and teachers. This will involve running, walking or a combination of both around the set course for an hour. On completion, the children will all receive a medal in recognition of their achievement.

We have a Just Giving page which is on the link below and we will also share this on our FaceBook page in the coming weeks. Please share this and make all donations/ sponsorships to this page.

On the day we would like children to come to school wearing something pink or white and of course, comfy shoes for running or walking.

We would like to make this a real community event to raise as much as we can for research into cancer. **This year, we plan to do this slightly differently. We would like to take this opportunity to invite you, our parent community and any other relatives that may be interested to join us in running the Race for Life with us!** You will be invited not just to cheer on your child/children this year but to run alongside them and raise sponsorship money with them. If you have children in multiple races then you are welcome to run more than one race!

If you are unable to run, walk or jog with us of course, we would also like to invite you to join us and cheer your child/children on as they complete the Race for Life.

The timings for the day will be as follows;

Reception & Key Stage 1 - 9.15am - 10.15am

Years 3 & 4 - 10.45am - 11.45am

Year 5 & 6 - 1.45pm - 2.45pm
